

# 2005 PTG AUXILIARY MEMBERSHIP

Piano Technicians Guild Auxiliary  
An International Organization

Piano Technicians Guild Auxiliary

The Auxiliary of the Piano Technicians Guild consists of men and women that support and encourage the Piano Technicians Guild members. State and annual conventions provide opportunities for members to become better acquainted at informal gatherings and take tours to places of local interest. A major focus of the PTGA, is to raise funds to support the two annual scholarship awards given to state winners of the high school and college piano competition. In doing this, the Auxiliary focuses on the piano industry, the piano technicians and highlights outstanding young piano talent.

Auxiliary membership, in addition to giving recipients discounted registration at the annual convention, also provides opportunities to develop friendships with people from other parts of the country and world that share common interests and goals. Members receive the newsletter, highlighting what has taken place and plans for the future.

Please consider joining PTGA and becoming a part of a group that is vibrant and always ready to support the PTG. Complete the form below and send it along with your check for \$20.00 (annual membership dues) to treasurer:
